## SECTION 00102

## PRE-PROPOSAL CONFERENCE/SITE VISITATION

**AMENDMENT NO. 0001**

## PART 1 GENERAL

## 1.1 PRE-PROPOSAL CONFERENCE/SITE VISITATION

Invitation is extended to all prospective offerors to attend (a) a pre-proposal conference and (b) a site visitation for the Design-Build Miscellaneous Construction, Renovation, and Alteration Projects at Fort Hood, Texas. The pre-proposal conference and site visits will occur on different days:

- a. The **Pre-proposal Conference** has been scheduled for 9:00 a.m., Tuesday, **August 31, 2004** at the Killeen Civic & Conference Center, 3601 South WS Young Drive, Killeen, Texas 76540. Call (254) 501-3888 for additional information. Maps of the Civic and Conference Center's location are attached to this Section.

At the pre-proposal conference, Government representatives will highlight specific design/build contract requirements not typically encountered in conventional construction procurements. The objective is to provide an information exchange between potential offerors and the Government to avoid the possibility of misinterpretation of the contract requirements. Accordingly, it is highly recommended that prospective offerors attend the pre-proposal conference and, in the interest of making the conference more meaningful, prospective offerors are urged to present any written questions concerning the project proposal documents, bidding, design and construction requirements or other related matters prior to the conference to the address shown in Block 7 of Standard Form 1442 contained in Section 00010, "Solicitation, Offer, And Award (Standard Form 1442)," ATTN: Barbara Zimmer. Questions may also be sent via facsimile transmission prior to the conference to Barbara Zimmer at (817) 886-6407 or by e-mail at Barbara.J.Zimmer@swf02.usace.army.mil.. Written questions may be submitted at the beginning of the conference and oral questions may be submitted from the floor, but answers will be limited to the time available. Written queries need not be signed if anonymity is desired. Answers, interpretations, and decisions made at the conference will not become official unless and until verified by an amendment to the contract issued prior to the receipt of proposals.

- b. **Site Visits and Guided Tours** of the sites are scheduled for Wednesday and Thursday, **September 8 and 9, 2004** after the amendment containing the renovation work is issued. Meet at Building 4622, Central Texas Area Office, Fort Hood, at 9:00 a.m. on September 8, 2004. Building 4622 is located on the corner of Engineer Drive and 79th Street. Call (254) 532-3047 for additional information.

**Access to Fort Hood** will be delayed between 5 minutes and 30 minutes due to increased security precautions, including the checking of vehicle ID's, vehicle manifests, and the searching of all vehicles. Any general or specific threat to the safety of those working or living at Fort

Hood could result in longer waiting times at the access points to Fort Hood. Conference attendees are required to provide one form of picture ID such as a driver's license (issuing state and number), company name and address, a memo from their company and on their letterhead stating the reason for entry, and the location at Fort Hood where the conference is located.

Pursuant to Contract Clause "FAR 52.236-3, Site Investigation and Conditions Affecting the Work," and the Site Visit Clause in Section 00100 INSTRUCTIONS TO OFFERORS, prospective offerors will be permitted to inspect the site where services are to be performed and to satisfy themselves as to all general and local conditions that may affect the cost of performance of the contract to the extent such information is reasonably obtainable. In no event will a failure to inspect the site constitute grounds for withdrawal of a proposal after receipt of proposal or for a claim after award of the Contract.

Potential offerors are requested to advise as to their intent to attend the pre-proposal conference and site visitation by facsimile transmission to Barbara Zimmer at the fax number listed above or by e-mail at their earliest convenience. Email communications is the preferred method of correspondence.
